**PORTRAIT**  
ADVERTISING

**Portrait Marketing Solutions is a leading marketing and advertising agency in Egypt.**

**Since 2013, they have provided businesses with innovative marketing solutions to foster brand success. With a strong in-house production and printing facility, they ensure high-quality and timely delivery for all projects.**

**Portrait offers a wide range of services including activations, events organization, roadshows, store openings, exhibitions, conferences, billboards, celebrities management, train branding, design services, videography, and POSM branding.**

**Their diverse and experienced team is dedicated to delivering outstanding results and creating impactful marketing campaigns that drive success.**

# About Us

Entasher is the premier online platform designed to seamlessly connect clients with top-tier, verified service providers across various industries, including media, advertising, marketing agencies, software development, event management, market research, and brand activation.

Our mission is to simplify and enhance the marketing and advertising processes for businesses of all sizes.

By offering a comprehensive, user-friendly platform, we provide innovative features that prioritize customer satisfaction, making it easier than ever to find and collaborate with the best service providers in the industry.
